

Coppell Cowgirl Volleyball Winter Clinic 2020

What: Sign your daughter up for our 7-week winter volleyball clinic held right here in Coppell! The first hour every night will focus on fundamental training and skill development, and the last hour will be dedicated to game situations, controlled scrimmages, and competitions! Our goal is to create a fun and challenging environment for your child to learn and improve her volleyball skills without a massive time commitment.

Directing this winter clinic will be Julie Price, who has been the head volleyball coach of the Cowgirls since 2011. Coach Price led the Coppell Cowgirls to back-to-back 5A State Championships in 2011 and 2012. The Coppell Cowgirls finished the 2012 season as the #1 ranked high school volleyball team in the nation. Before coming to Coppell, Coach Price led the Lake Travis Cavaliers to the 4A State Championship in 2010. She is the only coach in Texas history to have won State Championships in volleyball in consecutive years at two different schools. Assisting with the camp will be volleyball coaches from Coppell High School, Coppell Middle Schools, and Coppell Cowgirls from the previous seasons.
